QUESTIONS AND ANSWERS

Toilet Paper and Hand towels for the U.S. Embassy Athens

Q1. Please advise if you will accept an alternative proposal with similar or light deviations of the dimensions of each paper.

A1. An alternative proposal with similar or very small deviations will be accepted for evaluation.

Q2. In the case of a proposal that does not exactly meet the dimensions or number of sheets of these two products, could the unit of cost be the square meter?

A2. The price evaluation is conducted based on the specifications stated in the solicitation, i.e., per roll.

Q3. Given that you wish these dimensions, could it be possible to provide us more details, such as the brand name and the code of the items. That way, we can place a financial offer on these specific codes.

A3. All information is based on the specifications described in the solicitation. The weight of each roll is 176gr. The weight of the Hand Towel pack is 278gr.
